**INFORMATION ABOUT THIS PROXY STATEMENT AND
THE ANNUAL GENERAL MEETING**

Questions and Answers About Voting Your Common Shares

Why did I receive this Proxy Statement?

Bunge has sent these proxy materials to you because Bunge's Board of Directors is soliciting your proxy to vote at the Annual General Meeting of Shareholders on May 26, 2006. This proxy statement contains information about the items being voted on at the Annual General Meeting and important information about Bunge. Bunge's 2005 Annual Report, which includes Bunge's 2005 Annual Report on Form 10-K, is enclosed with these materials. Proxy materials, including this proxy statement, were first released to shareholders on or about April 14, 2006.

Bunge has sent these materials to each person who is registered as a holder of its common shares in its register of shareholders (such owners are often referred to as "holders of record") as of the close of business on March 31, 2006, the record date for the Annual General Meeting.

Bunge has requested that banks, brokerage firms and other nominees who hold Bunge common shares on behalf of the owners of the common shares (such owners are often referred to as "beneficial shareholders" or "street name holders") as of the close of business on March 31, 2006 forward these materials, together with a proxy card or voting instruction card, to those beneficial shareholders. Bunge has agreed to pay the reasonable expenses of the banks, brokerage firms and other nominees for forwarding these materials.

Finally, Bunge has provided for these materials to be sent to persons who have interests in Bunge common shares through participation in the company share funds of the Bunge Retirement Savings Plan, the Bunge Savings Plan and the Bunge Savings Plan—Supplement A. Although these persons are not eligible to vote directly at the Annual General Meeting, they may, however, instruct the trustees of the plans on how to vote the common shares represented by their interests. The enclosed proxy card will also serve as voting instructions for the trustees of the plans. If you do not provide voting instructions for shares held for you in any of these plans, the trustees will vote these shares in the same ratio as the shares for which voting instructions are provided.

Shareholders who owned our common shares as of the close of business on the record date for the Annual General Meeting are entitled to attend and vote at the Annual General Meeting and adjournments or postponements of the Annual General Meeting. A poll will be taken on each proposal to be put to the Annual General Meeting.

How many votes do I have?

Every holder of a common share will be entitled to one vote per share for the election of each director and to one vote per share on each other matter presented at the Annual General Meeting. On March 31, 2006, there were 119,376,760 common shares issued and outstanding and entitled to vote at the Annual General Meeting.

What proposals are being presented at the Annual General Meeting?

Bunge intends to present proposals numbered one through three for shareholder consideration and voting at the Annual General Meeting. These proposals are for:

- Election of Class II Directors;
- Appointment of Deloitte & Touche LLP as our independent auditors and authorization of the audit committee of the Board to determine the auditors' fees; and
- Approval of amendments to our bye-laws to delete provisions relating to Bunge's Shareholder Rights Plan as set forth in this proxy statement.

Other than the matters set forth in this proxy statement and matters incident to the conduct of the Annual General Meeting, Bunge does not know of any business or proposals to be considered at the Annual General Meeting. If any other business is proposed and properly presented at the Annual General Meeting, the proxies received from our shareholders give the proxy holders the authority to vote on the matter at their discretion.

How do I attend the Annual General Meeting?

For admission to the Annual General Meeting, shareholders of record should bring the admission ticket attached to the enclosed proxy card, as well as a form of personal identification, to the shareholders check-in area, where their ownership will be verified. Those who have beneficial ownership of common shares held by a bank, brokerage firm or other nominee must bring account statements or letters from their banks or brokers showing that they own Bunge common shares, together with a form of personal identification. Registration will begin at 9:00 a.m., Eastern Time, and the Annual General Meeting will begin at 10:00 a.m., Eastern Time.

How do I vote?

You can exercise your vote in the following ways:

- ***By Mail:*** If you are a shareholder of record, you can appoint your proxy by marking, dating and signing your proxy card and returning it by mail in the enclosed postage-paid envelope. If you hold your common shares in street name, you can instruct your bank, brokerage firm or other nominee to vote by following the instructions on your voting instruction card.
- ***By Telephone or the Internet:*** If you are a shareholder of record, you may appoint your proxy by telephone, or electronically through the Internet, by following the instructions on your proxy card. If you appoint your proxy by telephone, you may only appoint the designated proxies. If you are a beneficial shareholder, please check your voting instruction card or contact your bank or broker to determine whether you will be able to instruct your bank or broker by telephone or the Internet how to vote on your behalf.
- ***At the Annual General Meeting:*** If you are planning to attend the Annual General Meeting and wish to vote your common shares in person, we will give you a ballot at the meeting. Shareholders who own their common shares in street name are not able to vote at the Annual General Meeting unless they have a proxy, executed in their favor, from the holder of record of their shares. You must bring this additional proxy to the Annual General Meeting.

Your vote is very important. Even if you plan to be present at the Annual General Meeting, we encourage you to complete and submit your proxy or voting instructions as soon as possible.

What if I return my proxy card but do not mark it to show how I am voting?

If you sign and return your proxy card but do not indicate instructions for voting, your common shares will be voted “FOR” the election of all nominees to the Board of Directors named on the proxy card and “FOR” proposals two and three and, with respect to any other matter which may properly come before the Annual General Meeting, at the discretion of the proxy holders.

May I change or revoke my proxy after I return it?

You may change or revoke your proxy at any time before it is exercised in one of four ways:

- Notify our Assistant Secretary in writing before the Annual General Meeting that you are revoking your proxy;

- Submit another proxy card (or voting instruction card if you hold your common shares in street name) with a later date;
- Use the telephone or the Internet to change your proxy; or
- If you are a holder of record, or a beneficial holder with a proxy from the holder of record, vote in person at the Annual General Meeting.

You may not revoke a proxy simply by attending the Annual General Meeting. To revoke a proxy, you must take one of the actions described above. Any written notice of revocation must be sent to the attention of our Assistant Secretary at 50 Main Street, White Plains, New York 10606, U.S.A., or by facsimile to (914) 684-3497.

What does it mean if I receive more than one set of proxy materials?

It means you have multiple accounts at the transfer agent and/or with banks and stock brokers. Please vote all of your common shares. Beneficial shareholders sharing an address who are receiving multiple copies of proxy materials, including our 2005 Annual Report and this proxy statement, will need to contact their broker, bank or other nominee to request that only a single copy of each document be mailed to all shareholders at the shared address in the future. In addition, if you are the beneficial owner, but not the record holder, of Bunge's common shares, your broker, bank or other nominee may deliver only one copy of the proxy materials to multiple shareholders who share an address unless that nominee has received contrary instructions from one or more of the shareholders. Bunge will deliver promptly, upon written or oral request, a separate copy of the proxy statement and 2005 Annual Report to a shareholder at a shared address to which a single copy of the documents was delivered. Shareholders who wish to receive a separate copy of the proxy statement and 2005 Annual Report should submit their request to Bunge's Investor Relations department by telephone at (914) 684-2800 or by submitting a written request to 50 Main Street, White Plains, New York 10606, U.S.A., Attention: Investor Relations.

What constitutes a quorum?

Two or more holders of common shares present in person at the start of the meeting and representing in person or by proxy more than one-half of the paid-up share capital entitled to vote at the Annual General Meeting form a quorum for the conduct of business at the Annual General Meeting.

What vote is required in order to approve each proposal?

The affirmative vote of a majority of the votes cast on the proposal is required for the election of directors and the appointment of Bunge's independent auditors and authorization of the audit committee of the Board to determine the auditors' fees. Any nominee for director who receives a greater number of votes "against" his or her election than votes "for" such election will not be elected to the Board and the position on the Board that would have been filled by the director nominee will become vacant. The affirmative vote of not less than 66% of the votes cast on the proposal is required for the adoption of the amendments to our bye-laws to delete provisions relating to Bunge's Shareholder Rights Plan as set forth in this proxy statement. Pursuant to Bermuda law, (i) common shares which are represented by "broker non-votes" (i.e., common shares held by brokers which are represented at the Annual General Meeting but with respect to which the broker is not empowered to vote on a particular proposal) and (ii) common shares represented at the Annual General Meeting which abstain from voting on any matter are not included in the determination of the common shares voting on such matter, but are counted for quorum purposes.

How will voting on any other business be conducted?

Other than the matters set forth in this proxy statement and matters incident to the conduct of the Annual General Meeting, we do not know of any business or proposals to be considered at the Annual General Meeting. If any other business is properly proposed and presented at the Annual General Meeting, the proxies received from our shareholders give the proxy holders the authority to vote on the matter according to their best judgment.

Who will count the votes?

Mellon Investor Services will act as the inspector of election and will tabulate the votes.

Deadline for Returning Your Proxy Card and Appointment of Proxies by Telephone or the Internet

Bunge shareholders should complete and return the proxy card as soon as possible. To be valid, the proxy card must be completed in accordance with the instructions on it and received by us no later than 11:59 p.m., Eastern Time, on May 25, 2006. If you appoint your proxy by telephone or the Internet, we must also receive your appointment **no later than 11:59 p.m., Eastern Time, on May 25, 2006**. If you participate in the Bunge share funds of the Bunge Retirement Savings Plan, the Bunge Savings Plan and the Bunge Savings Plan—Supplement A, you must also submit your voting instructions by this deadline in order to allow the plan trustees time to receive your voting instructions and vote on behalf of the plans. If your common shares are held in street name, you should return your proxy card or voting instruction card in accordance with the instructions on that card or as provided by the bank, brokerage firm or other nominee who holds Bunge common shares on your behalf.

Solicitation of Proxies

We will bear the cost of the solicitation of proxies, including the preparation, printing and mailing of this proxy statement and the proxy card. We will furnish copies of these proxy materials to banks, brokers, fiduciaries and custodians holding shares in their names on behalf of beneficial owners so that they may forward these proxy materials to our beneficial owners.

We have retained Innisfree M&A Incorporated to assist us in the distribution of proxy materials and the solicitation of proxies for the Annual General Meeting for a fee of \$12,500 plus reasonable out-of-pocket expenses. In addition, we may supplement the original solicitation of proxies by mail with solicitation by telephone, telegram and other means by our directors, officers and/or employees. We will not pay any additional compensation to these individuals for any such services.

CORPORATE GOVERNANCE

Board Composition and Independence

Our Board consists of eleven directors and is divided into three classes that are, as nearly as possible, of equal size. Each class of directors is elected for a three-year term of office, and the terms are staggered so that the term of only one class of directors expires at each annual general meeting. Messrs. Coppinger, Braun Saint and Weisser are Class II directors, and their terms expire in 2006. Messrs. Born, Caraballo, de La Tour d'Auvergne Lauraguais and Engels are Class I directors, and their terms expire in 2007. Messrs. Bachrach, Boilini, Bulkin and Hatfield are Class III directors, and their terms expire in 2008.

The Board is composed of a substantial majority of independent directors. In accordance with the listing standards of the New York Stock Exchange ("NYSE"), to be considered independent, a director must have no material relationship with Bunge either directly or as a partner, shareholder or officer of an organization that has a relationship with Bunge. To assist it in making these determinations, the Board has adopted categorical standards of director independence which are set forth in Annex A to our Corporate Governance Guidelines, which are attached as Appendix A to this proxy statement and are also available through the "About Bunge—Investor Information—Corporate Governance" section of our website, www.bunge.com. The Board has determined that each director other than Mr. Weisser, Bunge's Chairman and Chief Executive Officer, is independent. In addition to the categorical standards referred to above, the Board considered and determined that the transactions with Mutual Investment Limited and its subsidiaries described in this proxy statement under "Certain Relationships and Related Party Transactions" do not impair the independence of the directors of Bunge who are current or former directors of Mutual Investment Limited as such transactions have been on arm's-length terms. Bunge's bye-laws provide that no more than two directors may be employed by Bunge or its subsidiaries.

Board Meetings and Committees

The Board normally has five regularly scheduled meetings per year and committee meetings are normally held in conjunction with Board meetings. Our Board met six times in 2005. All directors attended at least 75% of the combined Board and committee meetings on which they served during the last fiscal year.

Our bye-laws give our Board the authority to delegate its powers to committees appointed by the Board. All of our committees are composed solely of directors. Our committees are required to conduct meetings and take action in accordance with the directions of the Board, the provisions of our bye-laws and the terms of their respective committee charters. We have four standing committees: the audit committee, the compensation committee, the finance and risk policy committee and the corporate governance and nominations committee. Copies of all our committee charters are available on our website, www.bunge.com, and in print from us without charge upon request. Please note that the information contained in or connected to our website is not intended to be part of this proxy statement.

Audit Committee. Our audit committee assists the Board in fulfilling its responsibility for oversight of (i) the quality and integrity of our financial statements and related disclosure; (ii) our compliance with legal and regulatory requirements; (iii) the independent auditor's qualifications, independence and performance; and (iv) the performance of our internal audit and control functions. Please see the Audit Committee Report included in this proxy statement for information about our 2005 fiscal year audit. The audit committee met 13 times in 2005. The members of our audit committee are Messrs. Bachrach, Boilini, de La Tour d'Auvergne Lauraguais (chairman), Engels and Braun Saint. Each of the members of the audit committee is independent under the Sarbanes-Oxley Act of 2002 and the listing standards of the NYSE. Our Board has determined that each of Mr. de La Tour d'Auvergne Lauraguais, Mr. Boilini and Mr. Engels qualifies as an audit committee financial expert. In accordance with our audit committee

charter, no committee member may simultaneously serve on the audit committees of more than two other public companies without the prior approval of the Board.

Compensation Committee. Our compensation committee reviews and approves corporate goals and objectives relevant to the compensation of our Chief Executive Officer, evaluates the performance of the Chief Executive Officer in light of these goals and objectives and sets the compensation level based on this evaluation. The compensation committee also approves and oversees the total compensation packages for our direct reports to the Chief Executive Officer, which packages include annual base salaries, performance-based bonuses and long-term equity-based compensation. The compensation committee also reviews the evaluations of the direct reports to the Chief Executive Officer. The compensation committee also approves and oversees our equity incentive plans, which include our Equity Incentive Plan and our Non-Employee Directors' Equity Incentive Plan, and any benefits and perquisites that may be given. The compensation committee has the discretion to interpret the terms of these equity incentive plans, to amend rules and procedures relating to these plans and to take all other actions necessary to administer these plans in our best interests. The compensation committee also makes recommendations to the Board on director compensation, and periodically reviews our management succession program for senior executive positions. In addition, the compensation committee also produces a Compensation Committee Report, which includes information on executive compensation and our compensation policies. Please see the Compensation Committee Report in this proxy statement for additional information. The compensation committee met five times in 2005. The members of our compensation committee are Messrs. Bachrach, Bulkin (chairman), Caraballo, Coppinger and Hatfield. Each of the members of the compensation committee is independent under the listing standards of the NYSE.

Corporate Governance and Nominations Committee. Our corporate governance and nominations committee is responsible for monitoring significant developments in the law and practice of corporate governance and the duties and responsibilities of directors of public companies, leading the Board in its annual performance evaluation, developing, recommending and administering our corporate governance guidelines and code of ethics, assisting our Board by actively identifying individuals qualified to become members of our Board and making recommendations to the Board regarding the director nominees for election at the next annual general meeting of shareholders. The corporate governance and nominations committee met five times in 2005. The members of our corporate governance and nominations committee are Messrs. Born, Caraballo, Coppinger, Engels and Hatfield (chairman). Each of the members of the corporate governance and nominations committee is independent under the listing standards of the NYSE.

Finance and Risk Policy Committee. Our finance and risk policy committee is responsible for supervising the quality and integrity of our financial and risk management practices. The finance and risk policy committee reviews and updates our risk management policies and risk limits on a periodic basis and advises our Board on financial and risk management practices. The finance and risk policy committee met seven times in 2005. The members of our finance and risk policy committee are Messrs. Boilini, Born, Braun Saint, de La Tour d'Auvergne Lauraguais and Engels (chairman).

Corporate Governance Guidelines and Code of Ethics

Our Board has adopted corporate governance guidelines that set forth our corporate governance objectives and policies and, subject to our bye-laws, govern the functioning of the Board. Our corporate governance guidelines are available on our website, www.bunge.com.

We also have a code of ethics that sets forth our commitment to ethical business practices. Our code of ethics applies to our directors, officers and employees worldwide, including our Chief Executive Officer and senior financial officers. Our code of ethics is available on our website and in print from us without charge upon request. We intend to post amendments to and waivers (to the extent applicable to certain officers and our directors) of our code of ethics on our website.

Executive Sessions of Our Board

Our corporate governance guidelines provide that the non-management directors shall meet without management directors at regularly scheduled executive sessions and at such other times as they deem appropriate. Our Board has adopted a policy that the non-management directors will meet without management present at each regularly scheduled Board meeting. In accordance with our corporate governance guidelines, the non-management directors shall, from time to time, designate a director from among their number to preside at these executive sessions of the non-management directors. In 2005, Mr. Born presided, and continues to preside, over these sessions. The presiding director, among other things, establishes an agenda with the assistance of the other non-management directors and facilitates communications among other non-management directors at each executive session.

Communications with Our Board

To facilitate the ability of shareholders to communicate with our Board and to facilitate the ability of interested persons to communicate with non-management directors, the Board has established an electronic mailing address and a physical mailing address to which such communications may be sent. Additional information on the electronic mailing address and the physical mailing address is available on our website through the “About Bunge—Investor Information—Corporate Governance” section.

Communications sent to the electronic mailing or physical mailing addresses are initially directed to our legal department, where they are screened to eliminate communications that are merely solicitations for products and services, items of a personal nature not relevant to us or our shareholders and other matters that are improper or irrelevant to the functioning of the Board and Bunge. All other communications are forwarded to the relevant director, if addressed to an individual director or a committee chairman or to the members of the corporate governance and nominations committee if no particular addressee is specified.

In addition, it is the policy of our Board that our directors attend each annual general meeting of shareholders. All of the members of our Board except Mr. Bulkin were in attendance at our 2005 Annual General Meeting.

Nomination of Directors

As provided in its charter, the corporate governance and nominations committee will identify and recommend to the Board nominees for election to the Board and will consider nominees submitted by shareholders. The corporate governance and nominations committee, in its commitment to our corporate governance guidelines, strives to nominate director candidates who exhibit high standards of ethics, integrity, commitment and accountability and who are committed to promoting the long-term interests of our shareholders. In addition, all nominations attempt to ensure that the Board shall encompass a range of talent, skill and relevant expertise sufficient to provide sound guidance with respect to our operations and interests. The committee strives to recommend candidates that complement the current members of the Board and other proposed nominees so as to further the objective of having a Board that reflects a diversity of background and experience with the necessary skills to effectively perform the functions of the Board and its committees. In that regard, from time to time, the corporate governance and nominations committee may identify certain skills or attributes (e.g., extensive global business leadership experience) as being particularly desirable to help meet specific board needs that have arisen. When the corporate governance and nominations committee reviews a potential new candidate, it looks specifically at the candidate’s qualifications in light of the needs of the Board at that time given the then-current mix of director attributes.

Under the corporate governance guidelines, directors must inform the Chairman of the Board and the Chairman of the corporate governance and nominations committee in advance of accepting an invitation

to serve on another public company board. In addition, no director may sit on the board, or beneficially own more than 1% of the outstanding equity securities, of any of our competitors in our principal lines of business. While the Board has not established any term limits to an individual's membership on the Board, no director having attained the age of 70 will be nominated by the Board for re-election or re-appointment to the Board. Directors eligible for re-election abstain from Board discussions regarding their nomination and from voting on such nomination.

Shareholders who wish to propose a director nominee must give written notice to our Secretary at our registered address at 2 Church Street, Hamilton HM 11, Bermuda, not later than 120 days before the first anniversary of the date on which Bunge's proxy statement was distributed to shareholders in connection with the prior year's annual general meeting. If no annual general meeting was held in the prior year or if the date of the annual general meeting has been changed by more than 30 days from the date contemplated in the prior year's proxy statement, the notice must be given before the later of (i) 150 days prior to the contemplated date of the annual general meeting and (ii) the date which is ten days after the date of the first public announcement or other notification of the actual date of the annual general meeting. Where directors are to be elected at a special general meeting, such notice must be given before the later of (i) 120 days before the date of the special general meeting and (ii) the date which is ten days after the date of the first public announcement or other notification of the date of the special general meeting. In each case, the notice must include, as to each person the shareholder proposes to recommend for election or re-election as director, all information relating to that person required to be disclosed in solicitations of proxies for election of directors pursuant to Regulation 14A under the Exchange Act, which includes such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected, and evidence satisfactory to Bunge that such nominee has no interests that would limit such nominee's ability to fulfill their duties of office. Bunge may require any proposed nominee to furnish such other information as reasonably may be required by Bunge to determine the eligibility of such proposed nominee to serve as a director. A shareholder may propose a director nominee to be considered by our shareholders at the annual general meeting provided that the notice provisions in our bye-laws as set forth above are met, even if such director nominee is not nominated by the corporate governance and nominations committee. A shareholder may also recommend director candidates for consideration by the corporate governance and nominations committee at any time. Any such recommendations should include the nominee's name and qualifications for Board membership.

In connection with the director nominations process, the corporate governance and nominations committee may identify candidates through recommendations provided by members of the Board, management or shareholders, and may also engage a search firm to assist in identifying or evaluating qualified candidates. The committee will review and evaluate candidates taking into account available information concerning the candidate, the qualifications for Board membership described above and other factors that it deems relevant. In conducting its review and evaluation, the committee may solicit the views of other members of the Board, senior management and third parties, conduct interviews of proposed candidates and may also request that candidates meet with other members of the Board. The committee will evaluate candidates recommended by shareholders in the same manner as candidates recommended by other persons. The corporate governance and nominations committee has retained a professional search firm to assist it in identifying and evaluating candidates for director. The corporate governance and nominations committee has not received any nominations for director from shareholders for the 2006 Annual General Meeting of Shareholders.

PROPOSAL 1

- (1) In accordance with the rules of the SEC, other annual compensation in the form of perquisites and other personal benefits has been omitted because such perquisites and other personal benefits constitute less than the lesser of \$50,000 or ten percent of the total salary and bonus reported for the Named Executive Officers during fiscal years 2005, 2004 and 2003.
- (2) This column shows the value of time-vested restricted stock unit awards based on the closing price per share of our common shares on the New York Stock Exchange (“NYSE”) on the date of grant. On February 25, 2005, Bunge granted the Named Executive Officers a special award of time-vested restricted stock units in recognition of Bunge’s exceptional financial performance in 2004. These awards will vest in 2010. In addition, on July 1, 2005, Bunge granted Mr. Gwathmey a special award of 30,000 time-vested restricted stock units. This award will vest ratably over four years. Bunge did not grant any time-vested regular restricted stock unit awards to any of the Named Executive Officers in 2004 or 2003. The number and value of the aggregate time-vested restricted stock unit holdings of each of the Named Executive Officers as of December 31, 2005 are as follows: Alberto Weisser—22,000 units (\$1,245,420); Archibald Gwathmey—38,000 units (\$2,151,180); William Wells—8,000 units, (\$452,880); Flávio Sá Carvalho—4,000 units (\$226,440); and João Fernando Kfourri—4,000 units (\$226,400). The values are calculated by multiplying the number of time-vested restricted stock units held by each Named Executive Officer by the December 30, 2005 closing price per share of our common shares on the NYSE, which was \$56.61.
- Bunge has also awarded performance-based restricted stock units to the Named Executive Officers in 2005, 2004 and 2003 under Bunge’s Equity Incentive Plan. These awards are subject to further vesting requirements based on Bunge’s attainment of certain pre-established performance goals. The target number and value of the aggregate performance-based restricted stock unit holdings of each of the Named Executive Officers as of December 31, 2005 are as follows: Alberto Weisser—89,315 units, (\$5,056,122); Archibald Gwathmey—22,333 units (\$1,264,271); William Wells—22,333 units (\$1,264,271); Flávio Sá Carvalho—11,776 units (\$666,639); and João Fernando Kfourri—7,104 units (\$402,157). The values are calculated by multiplying the number of performance-based restricted stock units held by each Named Executive Officer, including dividend-equivalent amounts earned on such units as of December 31, 2005, by the December 30, 2005 closing price per share of our common shares on the NYSE, which was \$56.61. These amounts do not include the performance-based restricted stock units granted in 2003, which were paid out in March 2006. See note 3.
- (3) These amounts represent long-term incentive payouts in respect of performance-based restricted stock units awarded in 2003 with a performance period ended December 31, 2005 to Named Executive Officers under Bunge’s Equity Incentive Plan. Payment of these awards was made in March 2006.

- (4) During 2005, Bunge (a) paid premiums for certain supplemental executive life insurance benefits for Mr. Sá Carvalho of \$7,828; (b) made mandatory matching contributions under Bunge's 401(k) plan for Mr. Weisser of \$8,400, Mr. Gwathmey of \$8,400, Mr. Wells of \$8,400 and Mr. Sá Carvalho of \$8,400; (c) made matching contributions under Bunge's excess 401(k) plans for Mr. Weisser of \$39,800, for Mr. Gwathmey of \$11,800, for Mr. Wells of \$11,000 and for Mr. Sá Carvalho of \$6,800; and (d) paid temporary housing costs for Mr. Kfourì in the amount of \$65,983. Bunge also maintains a program of life and disability insurance which is generally available to all salaried employees on the same basis.

João Fernando Kfourì	8,000	1.32%	\$ 52.66	2/24/2015	\$ 276,017	\$ 689,049

- (1) These amounts represent hypothetical gains that could be achieved for the respective stock options if exercised at the end of the stock option term. These values are based on assumed rates of share appreciation of 5% and 10% compounded annually from their date of grant, February 25, 2005, to their expiration date, February 24, 2015. The assumed rates are mandated by the SEC and do not represent our estimates or projections of future share prices. These values are net of the option exercise price and do not include deductions for tax or other expenses associated with the exercise of these options. Actual gain, if any, upon the exercise of these stock options will depend on the future performance of our common shares and the date on which the stock options are exercised.
- (2) These stock options will vest as to one-third (33.3%) on each of February 25, 2006, 2007 and 2008 and will expire on February 24, 2015, unless earlier terminated in connection with an option exercise or termination of employment. In the event of a change in control of Bunge, all stock options will become exercisable in full immediately prior to such change in control, unless our compensation committee determines otherwise, in its sole discretion.
- (3) The exercise price of each option was fixed at the time of grant, February 25, 2005, based on the average of the highest and lowest sales price of one common share of Bunge Limited on the date of grant.

Under the terms of the Bunge U.S. Pension Plan, the Bunge U.S. SERP and the Bunge Management Services, Inc. Excess Benefit Plan (together, the “Company Pension Plans”), an eligible employee will receive a benefit at retirement that is generally based upon the employee’s number of years of benefit service and average annual compensation (salary and normal bonus) for the highest five consecutive years out of the final ten years of service; except that the benefit under the U.S. SERP is calculated as if an eligible employee’s benefit under the Bunge U.S. Pension Plan was determined using 100% of the bonus paid to such employee. (The benefits under the Bunge Management Services, Inc. Excess Benefit Plan and the Bunge U.S. SERP are not subject to the U.S. Internal Revenue Code provisions used to determine benefits and the amount of annual benefits payable under the Company Pension Plans.)

In addition, Mr. Weisser is entitled to a supplemental pension benefit under the terms of his employment agreement with the Company described in more detail below under the heading “Employment Agreements and Severance and Change of Control Arrangements.” The estimated annual pension benefit payable to Mr. Weisser at age 65 (his Normal Retirement Age) is \$1,890,000.

The number of years of service that have been credited for Messrs. Weisser, Gwathmey, Wells and Sá Carvalho are approximately 6.5 years, 31 years, 6 years and 7 years, respectively. To date, Mr. Kfoury does not participate in any of the Company Pension Plans.

Compensation of Directors

(1) Meeting fees are payable only if the Board or a committee meets in excess of five times per year. Fees earned for each such additional meeting are \$1,000 per day if the meeting is held in person and \$250 if the meeting is held telephonically.

(2) The director has deferred payment of his annual cash retainer and committee fees for 2005.

Directors' Fees. Non-employee directors received the following fees in 2005: (i) an annual retainer fee of \$60,000; (ii) a fee of \$10,000 per year for service as committee chair on any of our committees, except for the Chair of the audit committee, who receives \$20,000 per year for his services due to the added workload and responsibilities of this committee; and/or (iii) a fee of \$5,000 per year for service as a member on any of our committees, except for the members of the audit committee, who each receive \$10,000 per year for their services due to the added workload and responsibilities of this committee. Although directors do not receive an annual Board or committee meeting attendance fee, if the Board and/or a committee meets in excess of five times in a given year, each director receives a fee of \$1,000 per day for attendance at each such additional meeting of the Board and \$1,000 per day of meetings for attendance at committee meetings. In addition, directors receive \$250 for each Board or committee meeting held by teleconference, if the number of Board or committee meetings has exceeded five for the relevant year. We also reimburse our non-employee directors for reasonable expenses incurred by them in attending Board meetings, committee meetings or our annual shareholder meetings. We provide Mr. de La Tour d'Auvergne Lauraguais with office accommodations, communications services and secretarial services to facilitate his fulfillment of his role as chairman of the audit committee.

Non-Employee Directors' Equity Incentive Plan. We have a Non-Employee Directors' Equity Incentive Plan to align our directors' interests with those of our shareholders and to appropriately incentivize our directors. In 2005, the Non-Employee Directors' Equity Incentive Plan was amended to provide that each new non-employee director will be granted at the time of their initial appointment or election an option to purchase 7,500 common shares of Bunge under the Non-Employee Directors' Equity Incentive Plan. In addition, each year on the date of the Annual General Meeting or at an earlier time specified by the Board (or the compensation committee), each continuing non-employee director will be granted an option to purchase 5,500 common shares of Bunge. Previously, each new director was granted an option to purchase 9,000 common shares of Bunge under the Non-Employee Directors' Equity Incentive Plan. In addition, the yearly grant for each continuing director was of an option to purchase 7,200 common shares of Bunge under the plan. We grant only non-statutory stock options under our Non-Employee Directors' Equity Incentive Plan. The exercise price per share is equal to the fair market value of a common share of Bunge

on the option grant date, as determined by our compensation committee, and in 2005 was based on the average of the highest and lowest sale prices of a common share on the date of grant. Options become vested and exercisable on the January 1st after the date of grant, provided that the director has continued to serve on the Board until such date. Outstanding options remain exercisable for a period of ten years after their grant date. Our Non-Employee Directors' Equity Incentive Plan provides that up to 0.5% of our issued and outstanding common shares may be issued under the plan. As of December 31, 2005, we had granted stock options to purchase an aggregate of 442,000 common shares of Bunge to our current non-employee directors as a group (10 persons) under the Non-Employee Directors' Equity Incentive Plan.

Non-Employee Directors' Deferred Compensation Plan. We have a Non-Employee Directors' Deferred Compensation Plan, under which the non-employee directors may elect to defer all or a portion of their annual director and/or committee fees for a minimum three-year period. Amounts deferred under the Non-Employee Directors' Deferred Compensation Plan are deemed invested in hypothetical Bunge share units. The value of each share unit will track the performance of a common share and will earn dividend equivalents to the extent actual dividends are paid to our shareholders. Non-employee directors can elect under the plan to receive the value of their hypothetical share units in the form of cash or common shares of Bunge.

Non-Employee Director Share Ownership Guidelines. To further align the personal interest of the Board with the interests of Bunge's shareholders, the Board has established share ownership guidelines for the minimum amount of Bunge common shares that are required to be held by Board members. These guidelines took effect in 2005 and are required to be met within five years from the effective date or, if later, from when the non-employee director is appointed or elected to the Board. For non-employee directors, the guideline is three times the annual retainer fee paid by Bunge to its non-employee directors. Shares deemed to be owned for purposes of the share ownership guidelines include hypothetical share units held under the Non-Employee Directors' Deferred Compensation Plan and 50% of the value of vested, in-the-money stock options. Unvested stock options do not count toward satisfaction of the guidelines. Furthermore, Bunge's non-employee directors are required to hold 100% of the net shares acquired through Bunge's long-term incentive plans until the guidelines are met. For more information on Bunge's share ownership guidelines, including the guidelines applicable to Bunge's senior management, see the Compensation Committee Report included in this proxy statement.

Equity Incentive Plan

We maintain the Bunge Limited Equity Incentive Plan (the "Equity Incentive Plan") to attract, retain and motivate our officers, employees, consultants and independent contractors, to link compensation to the overall performance of Bunge, to promote cooperation among our diverse areas of business and to create an ownership interest in Bunge aligned with the interests of our shareholders. Under the Equity Incentive Plan, the compensation committee of our Board may award equity-based compensation to our officers, employees, consultants and independent contractors who make, or are anticipated to make, significant contributions to Bunge. Awards under the Equity Incentive Plan may be in the form of statutory or non-statutory stock options, restricted stock units (including performance-based) or other awards that are based on the value of our common shares. The specific terms of each award made under the Equity Incentive Plan, including how such award will vest, are described in individual award agreements.

Administration of the Plan. Our compensation committee administers the Equity Incentive Plan. The committee has the discretion to determine who will receive awards under the Equity Incentive Plan as well as the terms of each individual award. The committee also has the discretion to interpret the terms of the Equity Incentive Plan and any corresponding award agreement and to generally take all other actions necessary to administer the Equity Incentive Plan in our best interests.

Options and Restricted Stock Units. When vested, stock options granted under the Equity Incentive Plan become exercisable for our common shares. The applicable vesting period is set forth in the individual award agreements. The exercise price per share is fixed by our compensation committee at the time of grant but will generally be no less than the fair market value of a common share, as determined by our compensation committee under one of the following calculations: (i) the average of the highest and lowest sale prices of a common share on the date of grant or (ii) the average of the highest and lowest sale prices of a common share over the 20 trading days immediately following the preceding quarterly earnings announcement, with such average weighted by volume. When our employment or service relationship with a participant terminates for “cause,” all unexercised stock options held by such participant (whether vested or unvested) are cancelled as of the date of termination. When our employment or service relationship with a participant terminates for a reason other than for “cause,” such participant has a limited period of time to exercise any vested stock options he or she then holds. The period varies according to the reasons for termination.

Restricted stock units are awards that provide for the issuance of a specified number of common shares upon the completion of a set time period or satisfaction of set performance requirements. Generally, performance-based restricted stock unit awards vest after completion of a three-year performance period upon Bunge’s satisfaction of certain pre-established performance measures specified in the individual award agreements related to Bunge’s cumulative diluted earnings per share or cumulative operating profit for a particular business unit, as applicable. The target cumulative diluted earnings per share may be adjusted for certain extraordinary events at the discretion of the compensation committee. Awards of performance-based restricted stock units that vest under the Equity Incentive Plan may be settled either in cash or Bunge common shares at the election of the participants, subject to the discretion of the compensation committee. However, beginning with the performance-based restricted stock units granted in 2005, vested performance-based restricted stock units will be settled in Bunge common shares only. Participants may also elect to defer a portion of their cash-settled awards through Bunge’s Deferred Compensation Plans (described below). Amounts payable in respect of performance-based restricted stock unit awards upon vesting are based upon performance levels pre-established by the compensation committee, ranging from payment of 50% of the award (threshold) to 200% of the award (maximum).

The effect of a participant’s termination of employment or service with us is set forth in the individual award agreements. Up to 10% of our issued and outstanding common shares may be issued pursuant to awards under the Equity Incentive Plan. As of December 31, 2005, we had granted stock options to purchase an aggregate of 5,395,923 common shares, 205,500 time-vested regular restricted stock units and 1,701,398 performance-based restricted stock units under the Equity Incentive Plan. Of this amount, we have granted to our executive officers stock options to purchase 1,609,777 common shares, 80,000 time-vested regular restricted stock units and 612,286 performance-based restricted stock units under the Equity Incentive Plan.

Non-Transferability of Awards; Adjustments upon Merger or Change of Control. Some restrictions apply to awards made under the Equity Incentive Plan. Awards are not transferable by the participant except in very limited circumstances and any shares received in connection with an award made under the Equity Incentive Plan may be subject to trading restrictions. Also, the compensation committee has the right to modify the terms of the Equity Incentive Plan and any award granted thereunder if we engage in a merger or amalgamation transaction or any corporate reorganization process. Please see the “Employment Agreements and Severance and Change of Control Arrangements” section of this proxy statement for a description of the effect of a change of control under the Equity Incentive Plan.

Deferred Compensation Plans for Executives

Bunge maintains three deferred compensation plans for its executives in three different participating Bunge business units—the Bunge North America Inc. Deferred Compensation Plan for Certain

Employees, the Bunge Management Services Inc. Deferred Compensation Plan for Certain Employees and the Bunge Global Markets Deferred Compensation Plan for Certain Employees (collectively, the “Deferred Compensation Plans”). The Deferred Compensation Plans allow participating executives to defer receipt of their salary, their annual bonus awards and, in some instances, certain other amounts (such as the value of the participant’s vested performance-based restricted stock units received pursuant to the Equity Incentive Plan). Amounts deferred under the Deferred Compensation Plans must be deferred for a minimum three-year period, except in the event of a Change in Control (as defined in the applicable deferred compensation plan) of Bunge, in which case participants may elect, 30 days prior to the Change in Control, to receive an immediate lump-sum cash distribution of the participant’s entire deferred compensation amount or to continue to have his or her deferred compensation credited under his or her plan pursuant to a trust or fund established by Bunge for such purpose.

As of December 31, 2005, Messrs. Weisser, Wells and Sá Carvalho held \$4,078,754, \$4,839,122 and \$1,190,161, respectively, in their accounts under the applicable Bunge deferred compensation plan.

Employment and Other Agreements and Severance and Change of Control Arrangements

Employment Agreement with Alberto Weisser. We have entered into an employment agreement, dated May 27, 2003, with Alberto Weisser. The agreement provides that Mr. Weisser will serve as our Chief Executive Officer. Mr. Weisser’s employment will continue until the last day of the month in which he attains age 65, unless his employment is terminated earlier pursuant to the terms of the agreement. The agreement provides for base salary, annual bonus and long-term compensation that is consistent with the amounts described by us in the compensation tables above.

The agreement also provides Mr. Weisser with a supplemental pension commencing at age 65, which when added to his other U.S. retirement benefits, will provide him with an annuity for life equal to 45% of the average of his base salary and annual bonus (excluding any long-term, supplemental or special bonuses) for the five-year period immediately prior to and including the date on which the pension commences. Mr. Weisser will be entitled to receive the supplemental pension (i) if he remains in our employ until the last day of the month in which he attains age 55 or (ii) in the event that his employment with us is terminated as a result of any of the following: (a) his “Disability”; (b) his resignation for “Good Reason”; (c) his termination without “Cause”; or (d) his resignation without Good Reason during the “Change of Control Period” (all terms quoted in this sentence have the meanings assigned to them in the employment agreement). Mr. Weisser will forfeit the supplemental pension under certain circumstances, including where he breaches certain restrictive covenants or upon his death. In the event of Mr. Weisser’s death, his spouse may, however, be entitled to a death benefit.

If during Mr. Weisser’s employment term, Mr. Weisser’s employment is terminated by us without Cause or by him for Good Reason, we will pay him (a) three times the sum of his base salary and annual bonus (as determined in accordance with the provisions of the agreement) and (b) a pro rata portion of the short-term annual bonus that Mr. Weisser would have been entitled to receive for the then-applicable performance period had he remained employed for the entire performance period. We will also (a) offer Mr. Weisser continuing coverage (at his cost) under our health and medical insurance plans and programs until the earlier of (i) the date on which Mr. Weisser and his spouse, if any, are both age 65 or over and (ii) the date on which he is eligible to receive health, medical or other insurance benefits under a subsequent employer’s plan; (b) provide Mr. Weisser with accelerated vesting of any unvested benefits in our defined contribution and defined benefit retirement plans, unless prohibited by law; (c) consider Mr. Weisser fully vested with respect to his entitlement to receive retiree medical and life insurance benefits that we offer to our senior executives as of his date of termination; (d) deem any vesting or service under any outstanding stock option, restricted stock or other equity-based awards fully satisfied; (e) deem any of our performance requirements under any outstanding stock option, restricted stock or other equity-based awards to be satisfied to the extent such performance requirements are satisfied as of his date

of termination; and (f) provide Mr. Weisser with other benefits substantially similar to those provided to our other senior executives upon their termination.

Our obligation to make or provide any of the above-described severance payments and benefits to Mr. Weisser is subject to his execution of a general release of claims against Bunge and its “Subsidiaries” (as defined in the employment agreement) and will cease in the event that Mr. Weisser breaches any of the restrictive covenants set forth in the agreement.

If Mr. Weisser resigns without Good Reason during the Change of Control Period, he will be entitled to receive the severance payments and benefits that he would otherwise receive under the agreement had he been terminated by us without Cause, as well as his supplemental pension, as described above. For purposes of the agreement, the “Change of Control Period” is a 30-month period commencing upon certain change-of-control events, including (i) the acquisition by any nonaffiliated beneficial owner of 35% or more of our outstanding common shares, (ii) the consummation, after shareholder approval, of certain business combinations or (iii) the failure of those individuals on our Board as of May 27, 2003 or their approved successors to constitute at least a majority of our Board. If, however, Mr. Weisser is terminated without Cause within the 12-month period immediately prior to any of the foregoing events at the direction or request of any person acquiring control of Bunge, the Change of Control Period will commence 12 months prior to such event.

The employment agreement contains a Code Section 280G “gross-up” provision. If any payment or distribution by us to or for the benefit of Mr. Weisser, whether paid or payable, or distributed or distributable, pursuant to the terms of the employment agreement or otherwise would be subject to the excise taxes imposed by Section 4999 of the Code, then Mr. Weisser will be entitled to receive an additional payment in an amount such that after the payment by Mr. Weisser of all taxes (including any interest or penalties imposed), he retains an amount equal to such taxes imposed upon the payments.

Mr. Weisser has agreed not to compete with Bunge or any of its Subsidiaries during his employment term and thereafter for the longer of (a) 18 months following his date of termination for any reason or (b) where applicable, the three-year period during which he receives severance payments from Bunge. Mr. Weisser has further agreed not to solicit certain customers and employees, and has agreed to standard confidentiality and cooperation provisions.

Agreement with João Fernando Kfourì. We have entered into an employment agreement, dated July 6, 2005, as amended, with João Fernando Kfourì. Mr. Kfourì currently serves as Managing Director of the Food Products Division of Bunge Limited. The term of the agreement will continue in effect until otherwise terminated by either Bunge or Mr. Kfourì upon 60 days prior written notice; provided that if Mr. Kfourì is terminated for cause (as defined in the agreement) Bunge may terminate the agreement without any prior written notice.

The agreement provides that Mr. Kfourì will receive a minimum annual base salary of \$540,000 and he will be eligible to receive an annual target bonus amount of approximately sixty-six percent (66%) of his annual base salary, subject to the satisfaction of applicable performance criteria in accordance with the terms of the Bunge Limited Annual Incentive Plan. In addition, Bunge will provide him with a furnished apartment in Manhattan, New York at a total cost not to exceed \$6,000 per month in lieu of his participation in any other Bunge employee benefit plans (provided that Mr. Kfourì will receive four weeks of paid vacation). Mr. Kfourì will also be entitled to participate in Bunge’s Equity Incentive Plan. Mr. Kfourì will be reimbursed for reasonable travel or business expenses incurred by him during his employment with Bunge.

Upon Mr. Kfourì’s termination of employment with Bunge for any reason, he will be entitled only to payment of his accrued but unpaid annual base salary and accrued but unused vacation through and including the date of his termination of employment. Mr. Kfourì will not receive any other compensation

or benefits following his termination of employment, except that he will continue to participate in Bunge's director and officer indemnification arrangements to the extent applicable.

The agreement contains a confidentiality restrictive covenant of indefinite duration and a non-solicitation of customers and employees restrictive covenant that extends for twelve months following the termination of Mr. Kfoury's employment with Bunge.

Severance Agreements. Pursuant to severance agreements with each of Messrs. Wells, Gwathmey and Sá Carvalho, in the event that Bunge terminates their employment without cause, each of them would receive severance pay generally equal to approximately twelve months base salary plus their respective target annual bonus for the year of such termination of employment.

Change of Control Arrangements. In addition to Mr. Weisser's employment agreement described above, our Named Executive Officers participate in certain plans that contain change-of-control provisions. These plans include our Equity Incentive Plan and our Deferred Compensation Plans. Under these plans, the events constituting a change of control are substantially similar to the change-of-control events with respect to Mr. Weisser's employment agreement described above.

Pursuant to our Equity Incentive Plan, we have granted our Named Executive Officers, as well as other officers, employees, independent contractors and consultants of Bunge, equity awards, including stock options, restricted stock unit awards and performance-based restricted unit awards. The stock options and restricted stock unit awards vest over time and our performance-based restricted stock unit awards vest upon the satisfaction of certain performance-based restrictions. Upon a "Change of Control" (as defined in the plan) of Bunge, however, these equity awards will become fully vested immediately prior to such event, unless the compensation committee determines otherwise, in its sole discretion.

Pursuant to our Deferred Compensation Plans, our Named Executive Officers, as well as other eligible employees of Bunge, can elect to defer their annual base salary, annual bonus and certain other amounts, including the value of their vested performance-based restricted stock unit awards. Amounts deferred must be deferred for a minimum three-year period and are deemed invested among one or more hypothetical investment alternatives. Upon a "Change of Control" (as defined in the applicable deferred compensation plan) of Bunge, however, each participant in our deferred compensation plans will elect, 30 days prior to such event, to (i) receive an immediate distribution of all of his or her deferred compensation in a lump-sum cash payment or (ii) continue to have his or her deferred compensation credited under the applicable plan following the event, in which case Bunge will establish and fund a trust for all such amounts that continue to be held under his or her plan.

COMPENSATION COMMITTEE REPORT

Bunge's compensation committee is composed of five independent directors, as determined by the Board based upon the NYSE Corporate Governance Listing Standards and our Corporate Governance Guidelines. In addition, all members of the compensation committee are "outside directors" for purposes of Section 162(m) of the Code. The primary purpose of the compensation committee is to discharge the responsibilities of the Board relating to all compensation, including equity compensation, of Bunge's Chief Executive Officer and other senior executives. The compensation committee has overall responsibility for evaluating and making recommendations to the Board regarding the compensation of the Chief Executive Officer, executive officers, other key employees and directors under our equity incentive plans and other compensation programs and policies. The compensation committee operates under a written charter adopted by the Board to reflect the NYSE rules for compensation committees. A copy of the charter is available on Bunge's website at www.bunge.com.

Compensation Philosophy

The compensation committee believes that Bunge's compensation programs should be designed to attract, retain and motivate high caliber executive officers, key employees and directors, while enhancing and increasing shareholder value and fostering profitable growth. Bunge's executive compensation program is also designed to pay for performance by linking compensation to the achievement of established goals and to align the interests of executives and shareholders.

Bunge's compensation program for its executive officers and key employees consists of three major components: (i) annual salary; (ii) short-term performance based incentives; and (iii) long-term equity-based incentives. The compensation committee believes that Bunge's mix of cash and equity-based compensation appropriately aligns the executives' interests with that of Bunge's shareholders and promotes equity ownership in Bunge among key employees and executives. Equity ownership is further emphasized through share ownership and retention guidelines established by the compensation committee, which are discussed later in this report. Short-term performance-based incentives consist primarily of annual cash awards based on the achievement of certain pre-established individual and company performance goals. Long-term, equity-based compensation for executive officers and key employees is typically in the form of stock options and/or performance-based restricted stock unit awards that are granted under Bunge's Equity Incentive Plan.

The compensation committee has retained an independent consultant to assist the committee in fulfilling its responsibilities. The committee reviews recommendations provided by its outside consultant to assist in determining competitive levels of compensation for senior executives. In setting executive compensation levels, the committee reviews compensation data for a variety of comparable companies, including Bunge's direct competitors and other U.S. based and international companies with appropriate characteristics, and generally targets total compensation in the median of competitive practice with potential upside for high performance and downside for poor performance. In addition, the committee determines what portion of an executive's compensation should be in the form of salary, performance related bonus and equity-based compensation.

The compensation committee also is responsible for reviewing and making recommendations to the Board regarding director compensation. As described in the "Executive Compensation—Compensation of Directors" section of this proxy statement, Bunge's non-employee directors receive an annual fee for serving on the Board, an annual fee for each committee on which they serve and an annual fee for each committee they chair. In addition, non-employee directors are compensated with stock options that are granted under Bunge's Non-Employee Directors' Equity Incentive Plan and receive reimbursement for certain reasonable expenses related to their service as directors. Although directors do not generally

receive Board or committee attendance fees, if either the Board or a committee meets in excess of five times in a given year, directors receive a fee for attendance at such additional meetings.

Share Ownership Guidelines

To further align the personal interest of senior management and the Board with the interests of Bunge's shareholders, the Board has established the following share ownership guidelines for the minimum amount of Bunge common shares that is required to be held by senior executives and Board members. The guidelines took effect in 2005 and are required to be met within five years from the effective date or, if later, from when the individual is hired or elected or appointed to the Board, as applicable. The guideline applicable to senior executives is based on a multiple of the executive's base salary. For Bunge's Chief Executive Officer, the guideline is five times the Chief Executive Officer's base salary, and for executives reporting directly to the Chief Executive Officer, the guideline is 2.5 times the individual's base salary. For our non-employee directors, the guideline is three times their annual retainer fee. Shares deemed to be owned for purposes of the share ownership guidelines include hypothetical share units held under Bunge's deferred compensation plans and 50% of the value of vested, in the money stock options. Unvested stock options and unearned performance-based restricted stock units do not count toward achievement of the guidelines. Furthermore, senior executives are required to hold 50% of the net shares acquired through Bunge's long-term incentive plans (such as stock options or performance units) until the guidelines are met. Bunge's directors must hold 100% of the net shares acquired until the guidelines are met.

Executive Compensation Components

Annual Salary. The compensation committee makes annual determinations with respect to executives' annual salaries. In making these decisions, the compensation committee reviews each executive's experience, skill level, performance, market compensation levels for comparable positions and other relevant considerations, including compensation data provided by our independent consultant.

Performance-Based Incentives. The compensation committee believes that a portion of the compensation for each executive should be in the form of annual performance-based incentives, which tie executive compensation to Bunge's performance and individual performance in specified areas. The compensation committee approves company-wide and individual performance goals and targets for senior management at the beginning of each fiscal year. Annual incentive bonus targets are designed to reflect competitive conditions and are intended to motivate executives by providing significant bonus opportunities based on the achievement of these pre-established goals. Each executive has a target bonus percentage expressed as a percentage of base salary. The annual incentive program includes minimum performance thresholds required to earn any incentive compensation, as well as maximum payouts geared towards rewarding extraordinary business and individual performance; thus, actual awards can range from 0% to 250% of target, depending on performance against pre-established goals. Annual incentive awards are made pursuant to the terms of the Bunge Limited Annual Incentive Plan.

Long-Term Incentives. The purpose of Bunge's long-term equity incentive plans is to create an ownership interest in Bunge, which aligns the interest of executives with shareholders. Bunge adopted its Equity Incentive Plan in April 2001 and amended such plan, most recently, in March 2004. Under the plan, the compensation committee may award equity-based compensation to officers, employees, independent contractors and consultants. Participants are selected based on their significant contributions or anticipated contributions to Bunge. Awards under the plan may be in the form of either statutory or non-statutory stock options, restricted stock units (including performance-based) or other awards that are based on the value of Bunge's common shares. The specific terms of each award made under the plan are described in an individual award agreement. In 2005, in accordance with the terms of the Equity Incentive

Plan, the exercise price per share was fixed by the compensation committee at the time of grant based on the average of the highest and lowest sales prices of a common share on the date of grant.

When vested, stock options granted under the plan are exercisable for Bunge common shares. A restricted stock unit award is an award that provides for the issuance of a specified number of Bunge common shares (or the value of such shares) upon the satisfaction of certain vesting requirements, such as lapse of time or performance-based restrictions. Generally, performance-based restricted stock unit awards vest upon completion of a three-year performance period based on Bunge's satisfaction of certain pre-established performance measures specified in individual award agreements related to Bunge's cumulative earnings per share or cumulative operating profit for a business unit, as appropriate, during the relevant performance period. Awards of performance based restricted stock units that vest under the Equity Incentive Plan may be settled either in cash or Bunge common shares at the election of the participants, subject to the discretion of the compensation committee. Participants may also elect to defer a portion of their cash settled awards through Bunge's Deferred Compensation Plans. Amounts payable for performance-based restricted stock unit awards under the Equity Incentive Plan range from payment of 50% of the award (threshold) to 200% of the award (maximum).

Chief Executive Officer Compensation

In determining Mr. Weisser's 2005 compensation, the compensation committee considered Mr. Weisser's individual performance, Bunge's performance and relative shareholder return and the compensation provided to chief executive officers at peer companies.

Mr. Weisser's salary is based on the criteria described in this report. For 2005, we paid Mr. Weisser \$1,200,000 in base salary, which represents the same level of base salary he earned in 2004. We also paid him an annual cash bonus of \$1,700,000 for 2005, determined based on Bunge's return on net assets and income from continuing operations (income after minority interest), as well as achievement of individual goals. 2005 was a challenging year for Bunge, with lower income from operations than 2004. This is reflected in Mr. Weisser's bonus, which was 43% lower than his bonus for 2004. We consider this level of salary and bonus appropriate based upon Mr. Weisser's individual performance as well as Bunge's financial and non-financial performance in 2005. The compensation committee also reviewed perquisites paid to Mr. Weisser in 2005 and determined that these amounts were reasonable based on market practices, Mr. Weisser's performance in 2005 and appropriate in light of corporate governance considerations.

As described above, the compensation committee believes that a portion of the compensation for the Chief Executive Officer, like the compensation of other executive officers of Bunge, should be in the form of annual performance-based incentives that align investors' and the Chief Executive Officer's interests through common share ownership in Bunge. In 2005, we granted Mr. Weisser 95,000 options and 38,000 performance-based restricted stock units under the Equity Incentive Plan. The options will vest according to a schedule, and all options will be fully exercisable in 2008, on the third anniversary of their date of grant. The performance-based restricted stock units will only vest and become payable if certain performance goals are achieved at year end in 2007. When the performance-based restricted stock units were granted in February 2005, they had a market value of approximately \$2,033,380 based on the closing price of Bunge's common shares on the NYSE on February 25, 2005, which was \$53.51. We also granted Mr. Weisser a special award of 22,000 time vested restricted stock units in February 2005, in recognition of Bunge's exceptional financial performance in 2004. This award will vest in full in February 2010.

Deductibility of Executive Compensation

Section 162(m) of the U.S. Internal Revenue Code precludes a public corporation from taking a deduction for compensation in excess of \$1 million for its chief executive officer or any of its four other

highest paid executive officers, unless certain specific performance criteria are satisfied. In 2005, Bunge adopted, and our shareholders approved, the Bunge Limited Annual Incentive Plan, which is designed to assure that bonus compensation determined thereunder is considered qualified performance-based compensation within the meaning of Section 162(m). It is the Committee's policy to seek to maximize the tax deductibility of compensation payable to our executive officers by having such compensation qualify as performance-based unless there are valid compensatory reasons for paying non-deductible amounts, such as the recruitment and retention of key employees.

The foregoing report on executive compensation for 2005 is provided by the undersigned members of the compensation committee of the Board.

AUDIT COMMITTEE REPORT

Bunge's audit committee is composed of five independent directors, all of whom are financially literate. In addition, Bunge's Board has determined that each of Mr. de La Tour d'Auvergne Lauraguais, Mr. Boilini and Mr. Engels qualifies as an audit committee financial expert as defined by the SEC. The audit committee operates under a written charter, which reflects NYSE listing standards and Sarbanes-Oxley Act requirements regarding audit committees. A copy of the charter is available on Bunge's website at www.bunge.com.

The audit committee's primary role is to assist the Board in fulfilling its responsibility for oversight of (1) the quality and integrity of Bunge's financial statements and related disclosures, (2) Bunge's compliance with legal and regulatory requirements, (3) Bunge's independent auditors' qualifications, independence and performance and (4) the performance of Bunge's internal audit and control functions.

Bunge's management is responsible for the preparation of its financial statements, its financial reporting process and its system of internal controls. Bunge's independent auditors are responsible for performing an audit of the financial statements in accordance with auditing standards generally accepted in the United States, and issuing an opinion as to the conformity of those audited financial statements to U.S. generally accepted accounting principles. The audit committee monitors and oversees these processes.

The audit committee has adopted a policy designed to increase its oversight of Bunge's independent auditor. Under the policy, the audit committee approves all audit, and audit-related services, tax services and other services provided by the independent auditor. In addition, any services provided by the independent auditor that are not specifically included within the scope of the audit must be pre-approved by the audit committee in advance of any engagement. The audit committee's charter also ensures that the independent auditor discusses with the audit committee important issues such as internal controls, critical accounting policies, instances of fraud and the consistency and appropriateness of Bunge's accounting policies and practices.

The audit committee has reviewed and discussed with management and Deloitte & Touche LLP, Bunge's independent auditors, the audited financial statements as of and for the year ended December 31, 2005. In addition, the audit committee met regularly with management and Deloitte & Touche LLP to discuss the results of their evaluations of Bunge's internal controls and the overall quality of Bunge's financial reporting. The audit committee has also discussed with Deloitte & Touche LLP the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the audit committee has received from the independent auditors their written report required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with them their independence from Bunge and its management. The audit committee also considered whether the non-audit services provided by Deloitte & Touche LLP to Bunge during 2005 were compatible with their independence as auditors.

Based on these reviews and discussions, the audit committee has recommended to the Board, and the Board has approved, the inclusion of the audited financial statements in Bunge's Annual Report on Form 10-K for the year ended December 31, 2005.

PROPOSAL 2
APPOINTMENT OF INDEPENDENT AUDITORS AND AUTHORIZATION
OF THE AUDIT COMMITTEE OF THE BOARD TO DETERMINE
THE INDEPENDENT AUDITORS' FEES

General

Our Board has recommended and asks that you appoint Deloitte & Touche LLP as our independent auditors for the fiscal year ending December 31, 2006 and authorize the audit committee of the Board to determine the independent auditors' fees. You would be so acting based on the recommendation of our audit committee. According to Bermuda law, an auditor is appointed for a one-year term beginning at the annual general meeting at which it is appointed and continuing until the close of the next annual general meeting.

The affirmative vote of a majority of the votes cast on the proposal is required to make such appointment. If you do not appoint Deloitte & Touche LLP, our Board will reconsider its selection of Deloitte & Touche LLP and make a new proposal for independent auditors.

Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu, and their respective affiliates (collectively, the "Deloitte Entities") have audited our annual financial statements since our 1996 fiscal year.

Representatives of the Deloitte Entities are expected to be present at the Annual General Meeting and will have the opportunity to make a statement if they desire to do so. We also expect that they will be available to respond to questions.

Fees

The chart below sets forth the aggregate fees for professional services rendered by the Deloitte Entities for services performed in each of 2005 and 2004, and breaks down these amounts by category of service:

	2005	2004
Audit Fees	\$ 8,519,000	\$ 8,389,000
Audit-Related Fees	218,000	209,000
Tax Fees	395,000	548,000
All Other Fees	0	0
Total	<u>\$ 9,132,000</u>	<u>\$ 9,146,000</u>

Audit Fees

Audit fees are fees billed for the audit of our annual consolidated financial statements, the audit of management's assessment on internal control over financial reporting and for the reviews of our quarterly financial statements. Additionally, audit fees include comfort letters, statutory audits, consents and other services related to SEC matters.

Audit-Related Fees

For 2005 and 2004, audit-related fees principally included fees for employee benefit plan audits and statutory attestation services in Argentina.

Tax Fees

Tax fees in 2005 and 2004 primarily related to services for tax compliance and preparation of employee expatriate tax returns. Tax compliance services are services rendered based upon facts already in

existence or transactions that have already occurred to document, compute and review amounts to be included in tax filings.

All Other Fees

No fees were paid to the Deloitte Entities in 2005 and 2004 for any other professional services.

Pre-Approval Policies and Procedures

The audit committee approves all audit services, audit-related services, tax services and other services provided by Deloitte & Touche LLP. Any services provided by Deloitte & Touche LLP that are not specifically included within the scope of the audit must be pre-approved by the audit committee in advance of any engagement. Under the Sarbanes-Oxley Act of 2002, audit committees are permitted to approve certain fees for audit-related services, tax services and other services pursuant to a *de minimis* exception prior to the completion of an audit engagement. In 2005, none of the fees paid to Deloitte & Touche LLP were approved pursuant to the *de minimis* exception.

In making its recommendation to appoint Deloitte & Touche LLP as our independent auditor for the fiscal year ending December 31, 2006, the audit committee has considered whether the services provided by Deloitte & Touche LLP are compatible with maintaining the independence of Deloitte & Touche LLP and has determined that such services do not interfere with Deloitte & Touche LLP's independence.

RECOMMENDATION OF THE BOARD

Our Board recommends that, based on the recommendation of the audit committee, you vote FOR the appointment of Deloitte & Touche LLP to serve as our independent auditors for the fiscal year ending December 31, 2006 and the authorization of the audit committee of the Board to determine the independent auditors' fees.

PROPOSAL 3
APPROVAL OF AMENDMENTS TO OUR BYE-LAWS TO DELETE PROVISIONS RELATING TO BUNGE'S SHAREHOLDER RIGHTS PLAN

We are asking our shareholders to consider and approve amendments to our bye-laws, as set out in Appendix B to this proxy statement, to delete the provisions relating to Bunge's Shareholder Rights Plan (the "Rights Plan").

The general purpose behind the proposed amendments is to continue to more closely align Bunge's bye-laws with those of large U.S. publicly-traded companies, a goal which we began to move toward when shareholders approved amendments to our bye-laws at our 2005 Annual General Meeting.

Our Rights Plan is designed to guard against inadequate or coercive takeovers and other abusive tactics that do not provide fair value to all shareholders. The Rights Plan protects all shareholders by preventing bids that fail to treat all shareholders equally and other acquisition tactics that our Board believe to be unfair to shareholders and that could be used to deprive shareholders of a fair price for all of their shares. The Rights Plan will not prevent takeovers, but it is designed to deter coercive takeover tactics and to encourage anyone attempting to acquire Bunge to first negotiate with our Board. In 2003, our shareholders approved an extension of the term of our Rights Plan for four years.

Currently, Bye-laws 50(4) and 51(2) limit the flexibility of the Board's use of the Rights Plan by subjecting the Board's ability to extend the term of the Rights Plan or to adopt a new shareholder rights plan to a supermajority shareholder approval requirement of at least 66% of the votes cast. The proposed amendments to our bye-laws would delete these provisions.

If this proposal is adopted by our shareholders at the 2006 Annual General Meeting, the Board intends to allow the Rights Plan to expire by its terms on August 1, 2007 and to then adopt a policy regarding future shareholder rights plans that is more in line with the current practice of several large U.S. publicly-traded companies and that reflects current standards of good corporate governance.

Pursuant to this policy, our Board would only adopt a shareholder rights plan if either (1) our shareholders have approved the adoption of the plan before its effectiveness; or (2) our Board, in the exercise of its fiduciary responsibilities, and by a vote of a majority of the independent members of the Board, determines that, under the circumstances existing at the time, it is in the best interests of Bunge for the Board to adopt a shareholder rights plan without the delay that would be occasioned by seeking shareholder approval. If the Board adopts a shareholder rights plan pursuant to clause (2), the Board will seek shareholder ratification of the plan within 12 months from the date of its adoption of the shareholder rights plan. The shareholder ratification required in any such case would be by a majority of the votes cast. If shareholder ratification is not obtained within 12 months of adoption, the shareholder rights plan will expire at the end of the 12-month period.

This policy regarding shareholder rights plans will allow the Board to adopt a shareholder rights plan without shareholder approval only when a majority of the independent directors deem it, in the exercise of their fiduciary duties, to be in the best interests of Bunge, but will subject any such shareholder rights plan to ratification by a majority shareholder vote within a reasonable period of time after its adoption by the Board of Directors.

Under our bye-laws, Bunge's shareholders must approve the proposed amendments to our bye-laws by the affirmative vote of not less than 66% of the votes cast on the proposal.

The proposed amendments to our bye-laws are set forth as Appendix B to this proxy statement, and the proposed changes to the current bye-laws are marked.

RECOMMENDATION OF THE BOARD

The Board has unanimously approved the proposed amendments to our bye-laws as described above, and recommends that shareholders vote FOR Proposal 3.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Loans to Directors and Executive Officers

Under Bermuda law, we cannot lend money to our directors without the approval of shareholders representing 90% of our common shares. We have no outstanding loans to any director. In addition, we are in compliance with the provisions of the Sarbanes-Oxley Act of 2002 prohibiting certain loans to directors and executive officers.

Transactions with Mutual Investment Limited and its Subsidiaries

In 2000, Mutual Investment Limited, our former parent company prior to our 2001 initial public offering, contributed \$126 million of capital to us in the form of a long-term secured note. In June 2003, we received \$55 million from Mutual Investment Limited, as final payment on this long-term secured note. In addition, in 2003 we recorded interest income of \$1 million pertaining to this long-term secured note. In December 2003, we sold an inactive Netherlands subsidiary to Mutual Investment Limited for \$64,000, its estimated fair value, in connection with a reorganization of certain of Mutual Investment Limited's investments. In July 2004, Bunge purchased a wheat mill in Brazil from Mutual Investment Limited for approximately \$2 million.

Prior to our initial public offering, we entered into an administrative services agreement with Mutual Investment Limited under which we provide corporate and administrative services to it, including financial, legal, tax, accounting, human resources administration, insurance, employee benefits plans administration, corporate communication and management information system services. The agreement has a quarterly term that is automatically renewable unless terminated by either party. Mutual Investment Limited pays us for the services rendered on a quarterly basis based on our direct and indirect costs of providing the services. In 2005, Mutual Investment Limited paid us \$492,000 under this agreement.

Other Relationships

We purchase agricultural commodity products in the normal course of business from many suppliers and sell agricultural commodities and fertilizer products to many customers, including companies that are affiliated with some of our non-management directors or their immediate family members. All of these transactions have been in the ordinary course of business and on arm's-length business terms based on market prices. In 2005, none of these transactions were significant, either individually or in the aggregate, and all fell within the categorical standards for director independence set forth in this proxy statement.

COMPARATIVE PERFORMANCE OF OUR COMMON SHARES

The performance graph shown below compares the quarterly change in cumulative total shareholder return on our common shares with the Standard & Poor's (S&P) 500 Stock Index and the S&P Food Products Index from August 2001, when we completed our initial public offering, through the quarter ended March 31, 2006. The graph sets the beginning value of our common shares and the Indices at \$100, and assumes that all dividends are reinvested. All Index values are weighted by the capitalization of the companies included in the Index.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Bunge is subject to the SEC reporting requirements applicable to U.S. domestic public companies and its executive officers, directors and certain persons who own ten percent of its common shares are obligated by Section 16(a) of the Exchange Act to file reports of their ownership of Bunge's common shares with the SEC and to furnish Bunge with copies of the reports.

Based solely upon a review of copies of reports filed pursuant to Section 16(a) of the Exchange Act, or written representations from persons required to file such reports, we believe that all filings required to be made were timely made in accordance with the requirements of the Exchange Act during 2005, except that in March 2005 a Form 4 reporting a change in Alberto Weisser's ownership was filed one day late due to technical problems experienced with the filing.

SHAREHOLDER PROPOSALS FOR THE 2007 ANNUAL GENERAL MEETING OF SHAREHOLDERS

To be considered for inclusion in Bunge's proxy statement for the 2007 Annual General Meeting of Shareholders, presently anticipated to be held on May 25, 2007, shareholder proposals must be received by Bunge no later than December 15, 2006. In order to be included in Bunge-sponsored proxy materials, shareholder proposals will need to comply with the SEC's Rule 14a-8. Shareholders may also make proposals that are not intended to be included in Bunge's proxy statement for the 2007 Annual General Meeting pursuant to our bye-laws. Nomination of candidates for election to the Board or other business may be proposed to be brought before the 2007 Annual General Meeting by any person who is a registered shareholder on the date of the giving of the notice and on the record date for the determination of shareholders entitled to receive notice of and vote at the 2007 Annual

In addition, shareholders may submit proposals on matters appropriate for shareholder action at the 2007 Annual General Meeting of Shareholders in accordance with Sections 79 and 80 of the Companies Act 1981 of Bermuda. To properly submit such a proposal, either at least 100 shareholders or any number of shareholders who represent at least 5% of the voting rights of our voting shares must notify us in writing of their intent to submit a proposal. In accordance with Bermuda law, any such shareholder proposal to be voted on at the 2007 Annual General Meeting and at future annual general meetings must be received by us no later than six weeks prior to the annual general meeting date in order to be circulated to shareholders by us. APPENDIX A
BUNGE LIMITED
CORPORATE GOVERNANCE GUIDELINES

The Board has adopted these guidelines to reflect the Company's commitment to good corporate governance and to comply with New York Stock Exchange rules and other legal requirements. In furtherance of these goals, the Board has also adopted a Code of Ethics, policies and procedures on securities trading compliance and written charters for each of its Board committees. The Corporate Governance and Nominations Committee will periodically review these guidelines and propose modifications to the Board for consideration as appropriate.

I. Director Responsibilities

A. Basic Responsibilities

The business affairs of the Company are managed under the direction of the Board, which represents and is accountable to the shareholders of the Company. The Board's responsibilities include regularly evaluating the strategic direction of the Company, management's policies and the effectiveness with which management implements its policies and overseeing compliance with legal and regulatory requirements.

The basic responsibility of the directors is to act honestly and in good faith with a view to the best interests of the Company and to exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. In discharging that obligation, the directors should inform themselves of all relevant information reasonably available to them. In forming their judgment, directors are entitled to rely in good faith on the accuracy of the records of the corporation and the information, opinions, reports or statements presented to them by the Company's officers, employees, Board committees, outside advisors and auditors, but the final decision must be made by the directors themselves.

B. Board and Committee Meetings; Attendance at Shareholder Meetings

Directors are expected to prepare for and use reasonable efforts to participate in all Board meetings and meetings of committees on which they serve. The Board and each committee will meet as frequently as necessary to properly discharge their responsibilities, provided that the Board shall meet at least five times per year.

Each director is free to suggest the inclusion of items on the agenda for the Board meeting and each committee meeting, but it is the Chairman of the Board and the Chair of each committee who will set the final agenda for any meeting. The final agenda of the Board and each committee meeting will be circulated to all Board members prior to the meetings. The Chairman of the Board shall receive copies of all committee notices, agendas and minutes at the same time, and in the same manner, as the members of each committee.

Information and data that are important to the Board's understanding of the business to be conducted at a Board or committee meeting should, to the extent practicable, be distributed in writing to the directors sufficiently in advance of the meeting to permit meaningful review, and directors are expected to review the provided materials in advance of each meeting.

In addition, it is the policy of the Board that the directors attend the Annual General Meeting of the Company's shareholders.

C. Meetings of Non-Management Directors

The non-management directors shall meet without management directors at regularly scheduled executive sessions and at such other times as they deem appropriate.

The non-management directors shall, from time to time, designate a director from among their number to preside at executive sessions of the non-management directors.

D. Communications with Directors

To facilitate the ability of interested persons to communicate with and make their concerns known to the non-management directors and of shareholders to communicate with the Board, the Board has established an electronic mailing address and a physical mailing address to which such communications may be sent. These addresses will be disclosed on the Company's website.

E. Board Interaction with Institutional Investors, Research Analysts and Media

As a general rule, management will speak on behalf of the Company. Comments and other statements from the entire Board, if appropriate, will generally be made by the Chairman and Chief Executive Officer. It is suggested that, in normal circumstances, each director refer all inquiries from third parties to management.

II. Composition and Selection of the Board

A. Size and Composition of the Board

The current size of the Board is 11, which the Board believes is appropriate. The Board will assess its size from time to time to determine whether it continues to be appropriate.

B. Board Membership Criteria

It is the policy of the Board that the Board at all times reflect the following criteria:

Each director will at all times exhibit high standards of ethics, integrity commitment and accountability and should be committed to promoting the long-term interests of the Company's shareholders.

The Board will encompass a range of talent, skill and relevant expertise sufficient to provide sound guidance with respect to the Company's operations and interests.

The Corporate Governance and Nominations Committee will recommend director nominees to the Board in accordance with the policies and principles in its Charter and in these Guidelines. The invitation to stand for election to the Board shall be extended by the Chairman of the Board on behalf of the Board.

C. Independence of Directors

The Board will have a substantial majority of directors who meet the requirements for independence required by the New York Stock Exchange for listed U.S. companies.

Whether directors are independent will be reviewed annually in connection with the preparation of the Company's proxy statement. The Corporate Governance and Nominations Committee as well as the Board will review commercial and other relationships between directors and the Company to make a determination regarding the independence of each of the directors, but the final independence determination will be made by the Board after due deliberation. The Board has established categorical standards to assist it in making such determinations. Such standards are set forth in Annex A hereto. Each independent director is expected to notify the Chair of the Corporate Governance and Nominations Committee, as soon as reasonably practicable, if his or her personal circumstances change in a manner that may affect the Board's evaluation of such director's independence.

D. Membership on Other Boards, Interests in Competitors

Directors must inform the Chairman of the Board and the Chair of the Corporate Governance and Nominations Committee in advance of accepting an invitation to serve on another public company board.

No director may sit on the board of, or beneficially own more than 1% of the outstanding equity securities of (other than through mutual funds or similar non-discretionary, undirected arrangements), any of the Company's competitors in its principal lines of business.

E. Sale and Purchase of Company Securities

Directors must comply with the terms of the Company's *Policies Regarding Pre-Clearance of Securities Trades and use of Derivative Securities* and the Company's *Corporate Policy and Procedure on Insider Trading* in connection with any proposed transaction in Company securities.

F. Changes in Current Job Responsibility

Directors, including employee directors, who retire from the job or the principal responsibility they held when they were selected for the Board or who accept employment with any of the Company's competitors in its principal lines of business shall submit their resignation from the Board to the Corporate Governance and Nominations Committee who may choose (1) to accept such resignation or (2) to submit such resignation for consideration by the Board, with any decision by the Board requiring a two-thirds super-majority vote.

G. Term Limits and Mandatory Retirement

The Board has not established any term limits to an individual's membership on the Board. No director having attained the age of 70 shall be nominated for re-election or re-appointment to the Board.

III. Board Committees

A. Composition and Responsibilities

The Board will have at all times an Audit Committee, a Compensation Committee, a Corporate Governance and Nominations Committee, a Finance and Risk Management Committee and any other committee the Board deems appropriate. All of the members of the committees will meet the criteria for independence set forth above and will be appointed by the Board. The Board will also appoint the Chair of each committee.

The Board will annually review committee assignments and will consider the rotation of committee chairs and members with a view toward balancing the benefits derived from continuity against the benefits derived from the diversity of experience and viewpoints of the various directors.

B. Charters

The Board has adopted written charters setting forth the purposes, goals and responsibilities of each of the Audit Committee, the Compensation Committee, the Corporate Governance and Nominations Committee and the Finance and Risk Management Committee, and will adopt such charters for any other committees that the Board deems appropriate. Each committee charter will also address qualifications for committee membership, procedures for committee member appointment and removal, committee structure and operations and committee reporting to the Board.

IV. Director Access to Officers, Employees and Independent Advisors

A. Access to Management and Employees

Directors will have full and unrestricted access to officers and employees of the Company at reasonable times and with reasonable notice and in a manner that will not unreasonably affect the performance by these officers or employees of their duties and responsibilities and that will not undermine management's oversight responsibility.

B. Access to Independent Advisors

The Board and each committee have the power to hire legal, financial or other advisors, as they may deem necessary, as set forth in each committee's charter. Each committee that hires a legal, financial or other advisor shall promptly notify the Board of such hiring. The Company will provide sufficient funding to the Board and to each committee, as determined by the Board and each of its committees, to exercise their functions and provide compensation for the services of their advisors and, in the case of the Audit Committee, independent auditors.

V. Director Orientation and Continuing Education

All new directors will receive these Corporate Governance Guidelines and will participate in the Company's orientation initiatives as soon as practicable after the annual meeting at which new directors are elected. The initiatives will include presentations by senior management and outside advisors as appropriate to familiarize new directors with the Company's business, its strategic plans, its significant financial, accounting and risk management issues and its compliance programs as well as their fiduciary duties and responsibilities as directors. All other directors are also invited to attend orientation initiatives.

The Corporate Governance and Nominations Committee and members of senior management of the Company as well as appropriate outside advisors will periodically report to the Board on any significant developments in the law and practice of corporate governance and other matters relating to the duties and responsibilities of directors in general.

VI. Director Compensation

The Compensation Committee will annually review and recommend, and the Board will approve, the form and amount of director compensation. It is the Company's policy that a significant portion of director compensation be in the form of Company shares or equity-based awards. The Board will consider that directors' independence may be jeopardized if director compensation and perquisites exceed customary levels, if the Company makes substantial charitable contributions to organizations with which a director is affiliated, or if the Company enters into consulting contracts with (or provides other indirect forms of compensation to) a director or an organization with which the director is affiliated.

The Board believes that director stock ownership helps to align the interests of directors with those of the Company's shareholders. Within five years of May 27, 2005 (or for new directors within five years of becoming a director), each non-employee director is expected to own common shares of the Company (including restricted stock units under the Company's deferred compensation plan for non-employee directors and 50% of the value of vested, in-the-money stock options) having a market value of at least three times the annual retainer fee paid by the Company to its non-employee directors.

VII. Chief Executive Officer Evaluation and Management Succession

The Compensation Committee shall review and approve corporate goals and objectives relevant to the compensation of the Chief Executive Officer, evaluate the Chief Executive Officer's performance in light of those goals and objectives and set the Chief Executive Officer's compensation level based on this

evaluation, in each case after obtaining the views of the other Board members and after reviewing its evaluation with the Board. The Compensation Committee will inform the Board of its decisions with respect to the compensation of the Chief Executive Officer and the direct reports to the Chief Executive Officer.

The Board will review at least annually succession planning for the Chair and Chief Executive Officer. The Board will work with the Compensation Committee and the Corporate Governance and Nominations Committee to evaluate and, as necessary, nominate successors to the Chair and Chief Executive Officer. The Chair and Chief Executive Officer should at all times make available his or her recommendations and evaluations of potential successors to his or her own and other senior management positions, including in the event of an unexpected emergency, along with a review of any development plans recommended for such individuals.

VIII. Annual Performance Evaluation

The Corporate Governance and Nominations Committee, on behalf of the Board, will conduct an annual evaluation of the Board to determine whether it is functioning effectively. The Corporate Governance and Nominations Committee will also establish criteria for the annual self-evaluations of each committee. The Board and committee assessments will focus on the contribution to the Company by the Board and each committee, and will specifically focus on areas in which a better contribution could be made. The final Board and committee evaluations will be discussed with the Board following their completion.

IX. Director Insurance, Indemnification and Exculpation

The Company intends to, and the directors shall be entitled to have the Company, purchase reasonable directors' and officers' liability insurance on behalf of the directors to the extent reasonably available and in amounts to be approved by the Board. In addition, the directors will receive the benefits of indemnification provided by the Company's Memorandum of Association and Bye-laws.

Categorical Standards of Director Independence

In order to qualify as independent, the Board must determine that a director has no material relationship with Bunge.

(1) A director will not be independent if:

- the director was employed by Bunge or an immediate family member of the director was an executive officer of Bunge within the preceding three years,
- (i) the director or the director's immediate family member is a current partner of a firm that is Bunge's external auditor; (ii) the director is a current employee of such firm; (iii) the director has an immediate family member who is a current employee of such firm and who participates in the firm's audit, assurance or tax compliance (but not tax planning) practice; or (iv) the director or the director's immediate family member was within the last three years (but is no longer) a partner or employee of such a firm and personally worked on Bunge's audit within that time,
- a present executive officer of Bunge serves or served on the compensation committee of the board of directors of a company which employed the director or which employed an immediate family member of the director as an executive officer within the preceding three years,
- the director or the director's immediate family member received, during any 12-month period within the preceding three years, more than \$100,000 per year in direct compensation from Bunge other than director and committee fees and pension or other forms of deferred compensation for prior service, *provided* that such compensation is not contingent on continued service or
- the director is a current employee, or the director's immediate family member is a current executive officer, of another company and the other company made payments to, or received payments from, Bunge for property or services in an amount which, in any of the last three fiscal years, exceeded the greater of \$1,000,000 or 2% of such other company's consolidated gross revenues.

(2) In addition, in order to assist it in determining what constitutes a material relationship, the board has adopted the following categorical standards for relationships that, subject to paragraph (1) above, will not be deemed to impair a director's independence:

- the director or the director's immediate family member is a director or executive officer of, or employed by, another company that sells to or purchases from Bunge agricultural commodity, fertilizer or other products sold by Bunge in the ordinary course of business, *provided* that such transactions are on arm's length terms,
- the director or the director's immediate family member holds a beneficial interest in an enterprise which sells to or purchases from Bunge agricultural commodity, fertilizer or other products sold by Bunge in the ordinary course of business, *provided* that such transactions are on arm's length terms, and
- transactions or relationships that ended prior to the beginning of Bunge's most recently completed three-year fiscal period.

For purposes of these standards, immediate family members include a director's spouse, parents, children, siblings, mothers- and fathers-in-law, sons- and daughters-in-law, brothers- and sisters-in-law, and anyone (other than domestic employees) who shares the director's home. However, when applying the three-year look back provisions in the categories set forth above, individuals who are no longer immediate family members as a result of legal separation or divorce or those who have died or become incapacitated are not included.

For relationships not covered by the foregoing standards, the determination of whether the relationship is material or not, and therefore whether the director would be independent or not, shall be made by the directors who satisfy the above independence standards. The Board's determination of each director's independence will be disclosed annually in Bunge's proxy statement.
